What do Students say about us?

Prabha Kumbhar

1 review

★★★★★ a year ago

Positive: Communication, Professionalism, Quality, Value

I have really good experience with this institute. It's best institute for UIUX Design course. They provide good quality training and give placement to student. They also provide three month internship.

A travel application interface is shown on three mobile devices. The top device displays a flight search results page with a large airplane icon. The middle device shows a product detail screen for a solar panel. The bottom device shows a login or registration screen with a "Logo" field and "Login Or Register As" button. To the left of the devices, there is descriptive text: "TRAVEL APP", "UX UI", "CASE STUDY", and "TOOLS: Figma, XD, Ps".

TRAVEL APP

TOOLS:
Figma, XD, Ps

A travel application interface is shown across three screens. The first screen is a landing page with the title "Explore The Beauty World" and a "Get Started" button. The second screen shows a grid of destination cards, one of which is "Narita Reservoir". The third screen is a detailed view of "Darma Reservoir" in Darma, Sumenep, with a price of \$600, a 4.5 rating, and a "Book Now" button. Below the detailed view, there is a "About Destination" section with a paragraph of text.

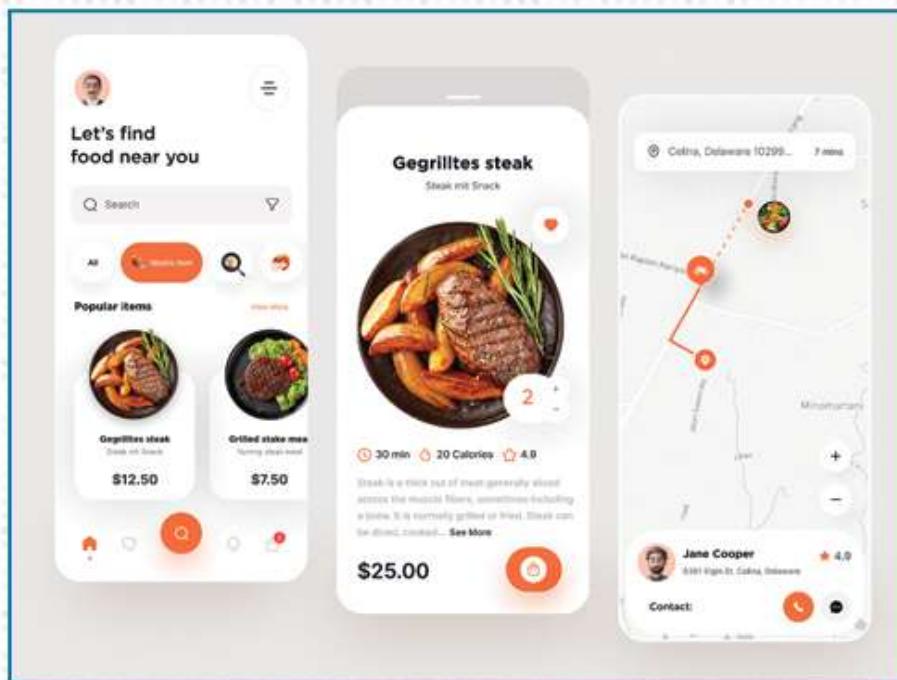

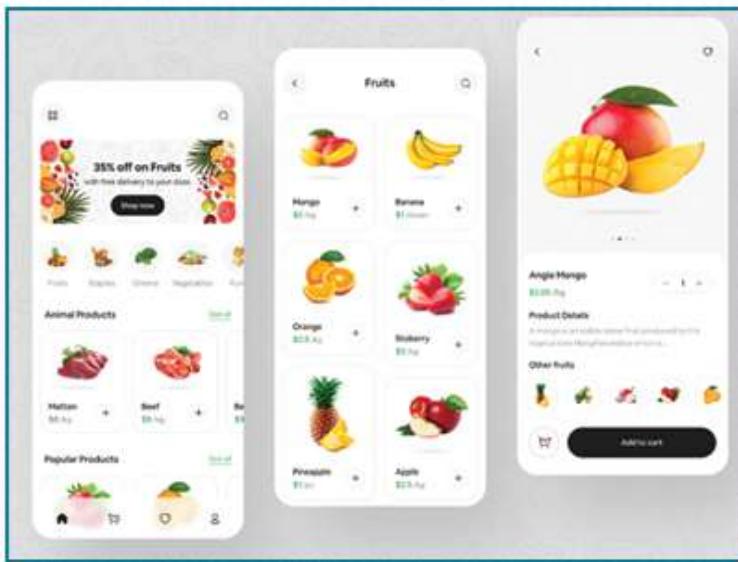

Explore The Beauty World
Get Started

Narita Reservoir

Darma Reservoir
Darma, Sumenep
\$600
4.5 (100)
Distance: 1200 km | Duration: 5 Days | Rating: MTC
About Destination
You will get a complete tour package on the islands. Perhaps in the form of photo gallery, recommended hotel rooms, recommendations, meal plan
that has been introduced to the area (%). Book Now
